

FATAL ACCIDENT.—A most frightful accident occurred on Wednesday morning, at a barn-raising on the farm of Mr. Christian Caulley, in Manor township, about four miles from Lancaster. While in the act of raising some heavy timber, part of that which had previously been put up gave way and fell on the men below, killing one man instantly, and injuring fifteen others, breaking their arms and legs, and otherwise mangling them dreadfully. Several of them are not expected to recover.—*Columbia (Pa.)*
